Meeting the physical needs of people by supplying food opens the door for sharing our faith.

Purpose:

The purpose of the North Carolina Baptist Men Agricultural Ministry is to help men and boys share the love of Jesus by becoming involved in missions that address poverty and hunger wherever they exist.

Learning How To Construct Bucket Drip-Irrigation At Hands-On Workshop

Goals:

Agricultural Ministry is one of the 13 ministries of North Carolina Baptist Men. Our goals are:

- To teach men and boys the importance of praying, giving, and becoming actively involved in missions with their time and talents.
- To teach men and boys the skills that enable and equip them to participate in missions that address poverty and hunger.
- To make NC Baptists aware of humans needs and to provide them opportunities to help meet those needs through Agricultural Missions.

The work of Agricultural Missions is not completed until we introduce those whom we are helping to the "Bread of Life" and the "Living Water."
